**Model answer**

Clara went to stay with Heidi and Grandfather in the mountains. Heidi was happy to see Clara. But Heidi was always with Clara and Peter was not happy. When no one was looking, he pushed Clara's wheelchair down the mountain. "I must try to walk," said Clara. Heidi and Grandfather helped her, and Clara started to walk by herself. Peter said sorry to Clara. When Clara's father came back, Clara walked out of the house to meet him. "This is the happiest day of my life!" said her father. After that, Heidi, Clara and Peter were always friends.
